THE AIMS OF THIS INSURANCE

Examples of these include the descaling of central heating pipes or the replacement of tap and cistern washers.

We undertake to provide rapid, expert help if **You** suffer an **Emergency** in **Your Property** arising from an incident covered under the policy. **We** will arrange for one of **Our Approved Contractors** on **Our** nationwide list of authorised tradesmen to attend and take action to stabilise the situation and remove the **Emergency**.

Cooling Off Period: If, when reading **Your** policy, **You** decide that it does not meet **Your** requirements, please return the policy and Certificate within 14 days of the date of issue or receipt of the terms and conditions, whichever is later. **We** will refund to **You** any premium **You** have paid and **We** will recover from **You** any payments **We** have made.

PERIOD OF INSURANCE

Your policy will be on either an annual basis or a monthly rolling basis as explained below and as confirmed in **Your** Insurance Schedule:

Annual policies: if **You** selected an annual period of insurance, the insurance starts at the date of purchase or at renewal and continues for a period of twelve months, upon receipt of **Your** premium. The annual premium will be collected by Credit/Debit Card.

Monthly rolling policies: if **You** selected monthly rolling periods of insurance, the insurance starts at the date of purchase for a period of one month and will continue by periods of one month at a time upon receipt of each monthly premium from **You**. The monthly premium will be collected by Direct Debit.

The insurance will be terminated immediately if **Your** monthly or annual premium is not paid, as appropriate.

Your Property Emergency Schedule will confirm if **Your** policy is on an annual basis or monthly rolling basis.

BOILER BEYOND ECONOMIC REPAIR

Where **Your** boiler is deemed beyond economic repair, **We** will pay a contribution towards the cost of a new boiler being installed. Once **You** send us an invoice from a qualified Gas Safe Contractor upon installation of a new boiler, **We** will pay a contribution of £250, less any premium outstanding to us. A boiler can be uneconomical to repair for a number of reasons. These include:

- The cost of parts (including VAT) to repair the main heating system is greater than 85% of the manufacturer's current retail price of a replacement or a similar model, It would cost more to repair the boiler than to replace it with a new one; or
- It would cost more to repair the boiler than to replace it with a new one; or
- New, genuine parts are no longer available to our suppliers; or
- The type of fault which has caused the boiler to fail and the extent of the repairs which will be required to fix it
- Any repair is only expected to result in a temporary fix and other faults are likely to occur shortly afterwards

Any decision regarding whether or not it is economical to repair **Your** boiler will be made by **Our** contractor, using their knowledge and experience of similar boilers and faults. **You** may find another contractor who will be willing to repair **Your** boiler and this is **Your** choice. However, **We** would not be able to continue to insure **Your** boiler, even if it has been repaired by someone else.

HOW WE SETTLE A CLAIM

When **You** call us, **You** will need to pay any **Excess** shown on **Your Property Emergency** Schedule by debit or credit card.

We will then arrange for an **Approved Contractor** to assess the situation and carry out **Emergency** Repairs to **Your Property** to stabilise the situation and remove the **Emergency** or restore the normal operation of the boiler or warm air unit.

Where the cost of a **Permanent Repair** is similar to the cost of an **Emergency** Repair **We** may, at **Our** sole discretion, authorise **Our Approved Contractor** to undertake a **Permanent Repair** to **Your Property**.

We will pay up to a maximum as detailed on **Your Property Emergency** Schedule for any claim including VAT, call-out charges, labour, parts and materials,

Whilst **We** will make every effort to make sure that **We** supply **You** with the full range of services in all Emergencies covered by this policy, remote geographical locations or unforeseeable adverse local conditions may prevent **Us** from providing the normal standard of service.

We cannot be responsible for any inconvenience, loss or damage caused by a delay in the manufacturers, or their suppliers or agents, supplying spare parts.

The maximum amount that **We** will pay and the maximum number of claims **You** can make during any **Period of Insurance** is detailed on **Your Property Emergency** Schedule including VAT.

5 **We** will insure **You** under this policy only if **You** keep to the terms and conditions of this policy.

8 If there is any dispute about the Policy interpretation, or if **We** have accepted a claim but there is a disagreement over the amount **We** will pay, **We** offer **You** the option of resolving this by using the Arbitration procedure **We** have arranged. Please see the details shown under the Customer Satisfaction section. Using this Service will not affect **Your** legal rights.

9 **You** and **We** are free to choose the Law applicable to this agreement but in the absence of agreement to the contrary the Law of England and Wales will apply.

10 **You** must promptly pay **Us** or the **Approved Contractor** for all work authorised by **You** which is not covered under this insurance policy.

11 If any loss, damage or expense covered under this policy is also covered by any other insurance or maintenance contract, **You** must provide **Us** with full details of the other contract. **We** will not pay more than **Our** fair share (rateable proportion) of any claim.
